1.0 WELCOME COMMENTS FROM THE BPUBLIC

Professor Carolyn Stevenson expressed her gratitude to the Board of Trustees for approving the Part-Time Faculty Agreement at their March meeting.

2.0 CONSENT AGENDA

Mr. Franceschelli presented the Board Minutes from the March 23, 2023 Regular Session meeting and the monthly Invoice and Stipend Reports. A motion to accept consent agenda items was made by Ms. Brown, seconded by Ms. Winfield, and carried by unanimous voice vote.

4.1.3. Resolution to Approve the 2023-24 Tuition & Fee Schedule

Dr. Durant described the changes including: A Tuition increase of 3%. There has been no tuition increase in the past two years. Cayuga's tuition is still among the lowest of community colleges and a modest increase every few years is preferred over a large increase. The increase tuition for a FT student amounts to \$168 per year. A Technology Fee \$5 increase is modest and necessary to maintain technology standards. A new Bookstore service fee of \$27 per credit is proposed. Similar programs have been adopted at other colleges and is often referred to as "box of books." He described the analysis the college has done to determine this as the best option. The fee becomes a fixed cost (rather than unknown or "optional" costs per semester) and students receive books on time. As a fixed cost, the amount is added to a student's bill and is eligible for aid, with a few restrictions. As a non-fixed cost, student often wait to purchase their books for various reasons, however research shows that learners who have access to textbooks a from the start of class do better than those who delay purchasing a textbook. The fee for a FT student amounts to \$400 per semester, while the actual semester cost of books could be higher or lower, with some variation per discipline, over the course of two years, the cost does not differ much from what the average student would spend on books.

Ms. Hutchinson read the resolution and made a motion to approve, Ms. Brown seconded the motion. The motion carried by a roll call vote of 8:0.

4.2 Governance & Planning Committee

Dr. Van Buskirk stated the Committee Notes were included in the agenda pack. She noted that the NYCCT would be offering an online debriefing of the State Budget later today. She also stated that NYCCT would be hosting a thank you reception for State Reps and discussed the importance of maintaining good communication points with governing bodies and this reception is an indicator that NYCCT is becoming more organized around planned advocacy efforts.
