Revised Pay As You Earn Repayment Plan (REPAYE))	7	

You can make payments during your grace period to prevent interest from accruing and reduce the amount of interest that may be capitalized when you enter repayment.

You can ind out how much you can save by using the Repayment Estimator at . or by contacting your loan servicer.

If you took out a private student loan, you may have to begin making payments while you're still in school. Contact the holder of that private student loan immediately to arrange payment.

You can get estimates of your monthly payments for each repayment plan. Use your FSA ID to login to the Repayment Estimator at
